Abstract

Words

1 Section

Some more words.

1.1 Sub-Section

Words again. We cite a paper [1] in aBibFile.bib using BibTeX. To compile this file run pdflatex then biblatex and then pdflatex two more times.

$$a = b + c \tag{1}$$

Cite this equation later using (1). This paper has Supporting information (SI) sections like SI-1 and that SI has Appendix A.1
